No. 311

Introduced by Senator Padilla

February 15, 2013

An act to amend Sections 1415, 9255, and 9260 of the Elections Code, and to amend Sections 34457 and 34458 of the Government Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

SB 311, as amended, Padilla. Local elections: charters and charter proposals.

Existing law requires a charter or charter amendment proposed by a charter commission for a city or city and county to be submitted to the voters at an established statewide general, statewide primary, or regularly scheduled municipal election ~~date~~, provided there are at least 95 days before the election. Existing law requires specified city or city and county charter proposals to be submitted to the voters at an established statewide general, statewide primary, or regularly scheduled municipal election, provided there are at least 88 days before the election. Existing law also authorizes the governing body of any city or city and county to propose a charter and submit the proposal to the voters for adoption at the next established statewide general, statewide primary, or regularly scheduled municipal election, provided there are at least 88 days before the election.

This bill would eliminate the option of submitting a city or city and county charter, charter amendment, or charter proposal to the voters at a statewide primary or regularly scheduled municipal election, except for city or city and county charter proposals to amend a charter ~~or call~~

~~for the election of a charter commission that are proposed by voter petitions, as specified, which the bill would require to be submitted to the voters at the next regular regularly scheduled general municipal election or on at any established statewide general or statewide primary election date occurring not less than 95 88 days after the date of the order of election. The bill would require that proposals to elect a charter commission that are proposed by a voter petition, as specified, be submitted to the voters at the next regular general municipal election or on any established statewide general or statewide primary election date occurring not less than 95 days after the date of the order of election. The bill would require a charter, charter amendment, or charter proposal not excepted to be submitted to the voters at a statewide general election, provided there are at least 95 or 88 days, as applicable, before the election. The bill also would make conforming changes.~~

Vote: majority. Appropriation: no. Fiscal committee: no.
